To our Dealer:

The speed and accuracy of our parts service depends to a great degree on the speed and accuracy with which you place your order.

If you have the Butler & Smith, Inc., parts order pad and fill in all details accurately, you will receive your order quickly and as specified by yourself. Never delay the mailing of your order - you might forget it the next day!

If you do not have the standard parts order pad, remember to state:

- 1) Exact shipping address.
- 2) Model and year of BMW motorcycle for which parts are needed.
- 3) Engine Number *
- 4) Specify color. If not otherwise indicated, we will ship black parts.
