"HOLLANDIA" SIDECAR

These Dutch-made sidecars are the perfect match for the BMW motorcycle . . . in quality of material, workmanship, and appearance. The frame is made of drawn steel tubing. There is a double suspension system employed for a smooth, comfortable ride: torsion spring suspension for the chassis and thick rubber suspension for the body. The unit comes with an 18" wheel (the same as on the BMW motorcycle) and knock-off hubs for quick and easy change.

Other notable features are the large luggage compartment; foam rubber cushions with attractive light-blue, vinyl upholstery; and rubber floorpadding. The finish is gleaming black enamel with white striping to match the BMW motorcycle. And for extra protection, the bottom is undercoated. The unit also comes complete with heavy-duty tonneau cover.

The sidecar can be used with all Earles-fork BMW models, but not with the telescopic fork models.

These unique accessories are imported from France and made especially for the BMW. All material used in their manufacture—the leather, linings, stitching, and hardware—are of the highest quality. Durable as well as good-looking, they will last through many years of hard use.

LEATHER CARRY-ALL POUCH

Straps over the gas tank to provide immediate accessibility to anything the rider is carrying. Has ample capacity, is easily attached and removed, and can be carried as a knapsack by the straps. Two zippers around the top make it extremely easy to open. One model is provided with a clear plastic window for convenient insertion of a road map.

M-SRS \$19.50

M-SRSM (with map window) \$21.50

LEATHER GAS TANK COVER

Not only enhances the appearance of your motorcycle, but also protects the gas tank from nicks and scratches. Model that fits sports tank is provided with extra leather flap so tool compartment cover can be opened.

M-CRSN (for standard tank) \$ 9.50

M-CRMN (for 6½-gallon sports tank) \$16.90

LEATHER HANDLEBAR MUFFS

The merits of these extremely practical accessories will be immediately apparent to anyone who has ridden in cold weather. They are absolutely the best way to keep a rider's hands warm. Complete with leather thongs to tighten muffs around the handlebar.

M-MAS (with cloth lining) \$13.60

M-MAFM (with sheepskin lining) \$18.00

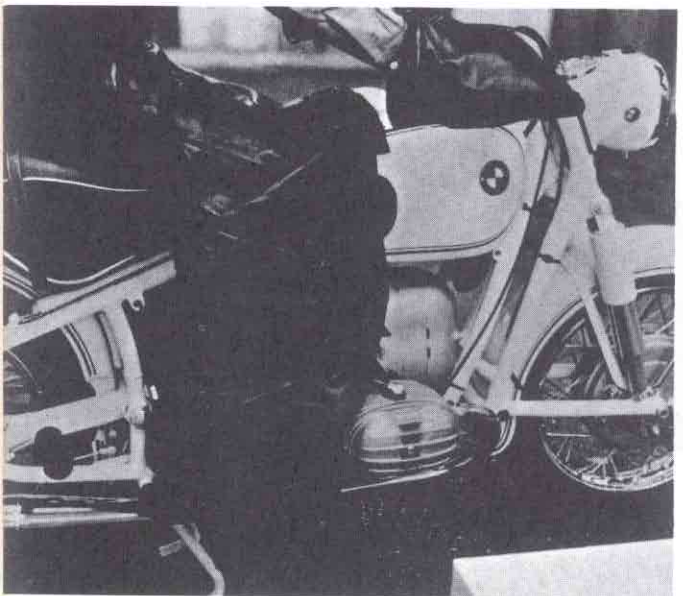

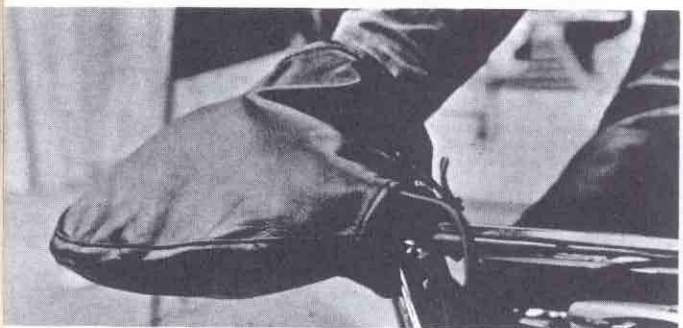

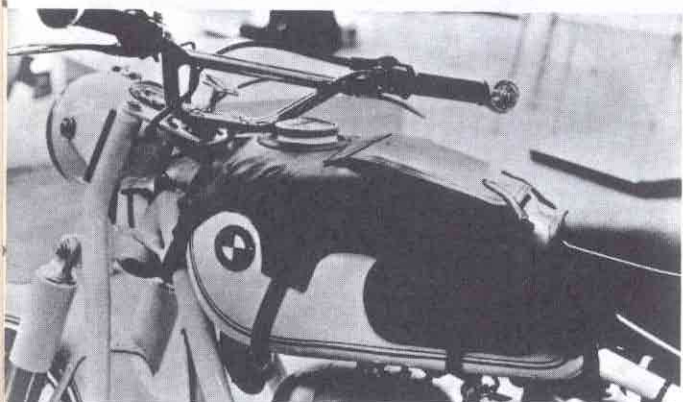

M-MAFC (with sheepskin lining and special provision for turn-signal lights) \$20.50

LEATHER LAP APRON

Here is another cold-weather accessory to provide the ultimate in warmth. The apron completely covers the legs and extends up around the waist to provide perfect protection from wind and cold. Wool lined.

M-SAS (for standard tank) \$32.50

M-SAM (for sports tank) \$35.50

THE "RAIN SUIT"

THE "RAIN SUIT"

The "Rain Suit" is the best motorcycle foul-weather suit available. Imported from England, it is made from durable Dunloprufe, a superior quality nylon. And its many features insure perfect rain protection: Seamless shoulders so that no water can leak in; Fold-over flap pockets with double snaps; "Velcro" type fastening at collar, and zippers at the wrists for snug fit. Jacket is cotton lined and belted. Trousers come with elastic waist. Available in five smart-looking colors: red, blue, green, black, and navy. Sizes small, medium, large, and extra large. *Please specify color and size when ordering.*

M-RS (small, medium, large) \$41.00

M-RSX (extra large) \$46.00
